## INVITATION LETTER

Dear Prof. Daquan Yang,

On behalf of the ICOCN2025 Organizing Committee, we are much honored to invite you to be the **INVITED SPEAKER** of the 23rd International Conference on Optical Communications and Networks (ICO CN'2025), which will be held in **Zhangjiajie**, China, during **July 28-31, 2025**.

ICO CN2025 is technically sponsored by IEEE and co-organized by IEEE Photonics Society. Nine tracks are arranged that cover the topics of optical fibers and devices, optical transmission and networks, optoelectronic, optical signal processing, microwave photonics, optical measurements, ultrafast and nonlinear optics, space communications, quantum photonics, etc. Over 500 participants including famous scholars and researchers are expected to attend the conference.

Due to your eminent contributions in your research area, it will be our great honor if you can accept our invitation to share your insights and perspectives with the conference delegates. We believe your participation will promote the conference towards a great success.

If you can accept our invitation, please submit your talk information at <http://icocn2023.mikecrm.com/kQrXBCC>. The information will be posted on the conference webpage soon.

We appreciate your long-term supports to ICO CN and look forward to meeting you in Zhangjiajie. Please also encourage your colleagues and students to submit abstracts/papers to ICO CN2025. Should you have any enquiry or suggestion, please do not hesitate to contact us at [icocn@cjlu.edu.cn](mailto:icocn@cjlu.edu.cn).

Yours sincerely,

 Pu Zhou

**General Chairs, ICO CN2025**

Perry Shum, Southern University of Science and Technology & President of IEEE Photonics Society

Shuangchun Wen, Hunan University, China

Pu Zhou, National University of Defense Technology, China
