20 April 2026

Dear Prof. Daquan Yang,

The 3rd International Conference on AI Sensors and Transducers (AIS 2026) will be held in Jeju, Korea, from 2 to 7 August 2026, chaired by Prof. Inkyu Park, Prof. Zhou Li, Prof. Xinge Yu, and Prof. Chengkuo Lee.

Building on the achievements of the 1st edition (Singapore, 2024) and the 2nd edition (Malaysia, 2025), this event will continue to set a high standard in the field. We are eager to once again bring together thought leaders and innovators from across the globe.

We are honored to invite you to serve as an **Invited Speaker** at the 3rd International Conference on AI Sensors and Transducers. We believe your unique perspective and pioneering work will significantly enrich our conference program.

Should you require more information about the conference, please visit our conference website at <https://sciforum.net/event/AIS2026>.

We eagerly anticipate your presence and look forward to welcoming you at the conference!

Kind regards,
